

Military Capabilities Statement

Wilson-Garner has over 50 years of experience manufacturing MIL/MS and special military parts.

Wilson-Garner Company cold-forms bolts, screws, and studs right here in Harrison Township, Michigan. We've manufactured fasteners for the military, automotive, and industrial markets since our start in 1948.

- Short-run quantities under 50,000 pieces.
- Free online product certifications
- All of our products are American-Made

If you have any questions on our capabilities, let us know: wilsongarner.com/contact.
